## NEW LOOK Home Page

We hope you like the new look to the E Banc Trade website.

Our site is constantly under review to improve its usability and attractiveness. Our goal is to provide a site that is stylish, functional, and provides everything there is to know about E Banc Trade.

As you know, our policy is to make our business as transparent as possible—we have nothing to hide, and do not fear competition. Apart from minor measures that are necessary to protect our members' privacy, our trade exchange is an open book for all to look through.

We are continuing with a total update to the entire website and would welcome your feedback on our new look. We would also value your suggestions on what you would like to see incorporated in the revamped site.

Please send your comments to [publications@ebanctrade.com](mailto:publications@ebanctrade.com).

## Adopt a Business Launch

As part of our World Aid programme, E Banc Trade is proud to be associated with Integrity Care, a charitable organisation operating a programme in third world countries to provide mentoring and loan funds to people who have a business vision but are without the resources to fund it.

On February 5<sup>th</sup> we will host a breakfast meeting at Scoozi Café to launch "Adopt a Business". By utilising our large membership base we are assisting Integrity Care to raise one million dollars over a three-month period.

For just \$200 (50/50 for E Banc Trade members) anyone can 'Adopt a Business' and help eliminate poverty. The next issue of The E Banc Trader will have the full details on this exciting new humanitarian programme. In the meantime, check out our website: <http://www.ebanctrade.com/worldaid.htm>

If you would like to attend the launch and have breakfast at Scoozi Cafe (Sunshine Plaza, Maroochydore) with local businessmen, state and local politicians, contact Brett at E Banc Trade to reserve your seat.

**Welcome to 2003.** I hope it is great financially, health and family wise for you over the entire year.

It is amazing when you look back on the past 35 months and see exactly what we have achieved. It is extraordinary the market gains that have been achieved in this short duration of time—not only financial gains such as the many properties that have passed through our system, and the many opportunities created by new members joining our group—but more so for the total commitment being given to the community in the form of “The Face of E Banc Trade”, our programme of community support that includes:

- Approximately 240 **sponsorships** — individual and community based organisations;
- **My E Heart** — rewarding the unsung heroes of the community; individuals who have carried out acts of kindness without expectation of reward; and
- **E Banc Trade World Aid** — Adopt a Business, and more recently, our support for the Sunshine Coast Red Cross Bali Appeal

For E Banc Trade to become an integral part of the community, it is imperative that we financially support all the above aspects of the community. It is my belief that in the future it will be the businesses that give back to the community that will be able to grow both financially and ethically.

The year is expected to show some good results in membership numbers and we have estimated we will reach between 10,000 to 13,500 by next Christmas. At this continued rate of growth, we determine that by Christmas 2004 we will be the biggest, the best, and most highly esteemed Trade exchange in Australia.

All this means added opportunities for members to be able to spend their trade dollars on goods and services and property at the right price for the right cost. In closing, I would like to remind you of our catch cry, **work the dream**. As everybody in business knows, no dream will happen without hard work so we ask for your support and assistance in making this year our best ever for the entire E Banc Trade family.

Neil East

## IMPORTANT NOTICE—Dishonoured Account

From February 15th, 2003, E Banc Trade will no longer honour any E Banc Trade cheques presented from previous member:

**Jo Connolly of Creative Interior Design.**

Members have been advised by email and through the newsletter on previous occasions not to accept E Banc Trade cheques from Ms Connolly.

## My E Heart

E Banc Trade's exciting initiative to reward the unsung heroes within our community has just rewarded its first recipients with a brand new computer.

Chris Sun, E Banc Trade's Sponsorship Coordinator, and Emma Wickens, a Customer Support Officer at E Banc Trade's Sunshine Coast headquarters, presented it to the Kempe family in front of all year 1-7 students at Bokarina State Primary School during their assembly in early December.

Mr and Mrs Kempe have spent many years volunteering their time to the kindy and schools that their children have attended. Close friend Wendy Dixon, who also helps out at the school from time to time, nominated them for this reward by filling in the nomination form she found on the E Banc Trade website, [www.ebanctrade.com](http://www.ebanctrade.com).

All of the students gave an enormous roar of approval as the Kempes were presented with their computer. "The entire school has benefited from the Kempe's generosity and no one deserves this more than them," Mrs Dixon said. "They are an inspiration to us all."

If you would like to nominate someone you know for a My E Heart.com reward, visit the E Banc Trade website, click onto My E Heart.com and fill in the nomination form provided and someone from E Banc Trade will be in touch with you soon to organise a surprise for your nominee. Alternatively, call Brett Skjonnemand on 07 5437 7220.

## Email Contact

Each time head office sends an email to all online members, we have several returned for various reasons:

- Members who use free email providers need to be aware that a quota is assigned to their accounts. Unless you regularly clear your in box, new emails will not be accepted once your quota is reached. One solution is to have a free **myebanc.com** email address. We don't apply quotas and you will never miss important emails. You can collect your emails from our website 24x7.
- Some members have forgotten to advise us when they change email providers. For instance, those members who used Dingo Blue, before it closed down, need to advise their new email address
- There are occasions when the handwriting on the membership application form is difficult to read and we may have your email address registered incorrectly. If you are an online member and do not receive regular fortnightly emails from us, please email [info@ebanctrade.com](mailto:info@ebanctrade.com) to advise your current email address.

## Sunshine Coast Red Cross Bali Benefit Initiative

E Banc Trade is a major sponsor of the Sunshine Coast Red Cross Bali Benefit Appeal which aims to raise money for the victims of the Bali bombing.

There are a number of upcoming events which our members are invited to support.

**Australia Day Picnic in the Park** will be hosted by Aussie World on Sunday 26<sup>th</sup> January. A gold coin donation on entry plus raffles and auctions will all help us reach our target of \$150,000.

The **Bali Benefit Gala Dinner** will be held at Novotel Twin Waters Resort on February 7<sup>th</sup>. 400 seats are available at approximately \$125 per head. There will be a special guest speaker (to be advised) and light entertainment. Once again raffles and an auction will be included to help raise funds.

A **Three Course, Golf Day** on February 28<sup>th</sup> will be sponsored by E Banc Trade. We will have an E Banc Trade hole on each course and will provide light refreshments and snacks at our hole.

If you would like to know more, check out our website, or call Brett Skjonnemand from E Banc Trade head office on 07 5437 7220.
