## **Dear Valued E Banc Trade Member,**

We would just like to take the opportunity to remind you all that you have the continued support of our staff here at the Gold Coast office, especially our new members. We have a great Customer Support Team here that are only too happy to assist you in any way. We are available to help you with any information regarding E Banc Trade and the availability of goods and services throughout our entire membership base.

Also just a reminder that we have a great showroom here at the Gold Coast Branch of E Banc Trade, and we encourage you to come in and see what's available for you to spend your trade dollars on.

This also gives our Customer Support Team a chance to meet you in person and gives you a face to put to the voice on the phone.

There are no consignment fees involved in displaying your goods/services at the showroom. It is an additional retail outlet that can be utilised freely by our members.

So come on in and have a browse around or just a coffee and a chat with our friendly staff.

We look forward to seeing you soon.

Regards

Nicole Brunker

Public Relations Manager
