

E Banc Trade Malaysia Newsletter

Trading Alternatives for Business and Lifestyle

Dear Members,

We'll like to extend our warmest welcome to our Klang licensee! We welcome committed members for this task as our targeted areas are Penang, Seremban/Melaka, East Malaysia and even to our neighbouring countries Thailand, Indonesia and Philippines. Please contact me for further discussions.

Our Managing Director from Australia, Neil East was in KL for a visit and what an explosive time we had! Not only are we going full swing into our property trading, we are giving away RM500 for every successfully transacted property listing. For buying and selling of properties, please contact Adeline or myself at 03 2144 2133.

Free Air Ticket

Yes! The promotion is still ongoing where trade spending/conversion of TRM30,000 and above will entitle you to a free air ticket to China plus TRM1000! What more; when you spend a total of TRM120,000 for the year 2003, you will get additional cash bonus RM500 and TRM3000 absolutely free! Find out more details with our customer support team.

Members Referral Programme

Whenever you walk into your favourite shop to purchase your needs, ask them if they accept E Banc Trade Ringgit. If they don't, this is an excellent opportunity to get them to be a member! We are still giving way RM128 and TRM100 for every successful sign-up with us. Call us for further information.

Happy trading from all of us at E Banc Trade Malaysia.
