Dear Members,

Signing of New Members

Our mission is to increase our membership base to 2000 members within the next 6 months. E Banctrade Malaysia would like to target business trade organizations to expand our network. We are currently working with SMISME (Malaysia) and various Chamber of Commerce and Industry and trade organizations of Malaysia to target our recruitment drive.

Membership Directory

Members can search the most up to date membership directory online at www.ebanctrade.com or it can be downloaded from the Member's Login using your password on our website. Alternatively, for members who requires a physical copy, please contact our office. We also like to remind our members to refer to us if they have been any new changes to their directory information.

Raising Funds For Autism Center(NASOM)

The Rotary-E Banc Fund Drive 2003 raised RM15,000 and TRM5,000. Part of the proceeds from the event will be donated to NASOM, to support their education centers, providing early intervention program, medical attention, advice and education to prepare autistic kids to enter primary schools.

Doing Business in China

At the recent 7th World Chinese Entrepreneurs Convention, our Prime Minister, Dr Mahathir mentioned "It is time we look at what we can sell to China, as the Chinese people get richer, they will need a lot of things from other countries and China will become a big market". We invite E Banctrade members to take this opportunity to exploit China's market

of 1.3 billion. For our members we are offering rental at BSTC(Beijing-Southeast Asia International Trade City) in Beijing, China on cash and trade basis for as low as RM800 per month. Please contact Esther or Dr Yong to discuss this golden opportunity.

Happy Trading

Esther
