- We embrace all cultures, we judge none
- Risk making a wrong decision quickly rather than no decision at all
- Licensees are most important to continued growth, as are staff and members
- Staff ideas are valued as we continually strive to improve the business formula
- Dare to be different - think and work faster, smarter and with less
- One thing that can be promised is change - it inspires innovation
- Communication engenders trust and loyalty - ring back
- If you become emotional in a decision, pass it on to someone else

### Trading Tip for The Week

### Reminder: **Christmas is coming!**

Book your staff functions and catering needs early to avoid disappointment.
