Are You in Need of A New Directory?

We print our membership directories every three weeks to allow for charges and new members.

Whenever you are searching for goods and services in the membership directory always check the date in the bottom left hand corner to see how up to date your directory is. If you cannot find what you are looking for, send us an email to brisnorth@ebanctrade.com as we may have a new member who can assist you.

The membership directory available online at www.ebanctrade.com is the most up-to-date version and the best source of information.

If you would like to order a new membership directory contact Head Office, or request a directory by email to jackie@ebanctrade.com. You can request a Queensland directory OR one listing all other states' members. This will be charged to your account at \$5.

Putting these two directories together gives you a National Membership Directory, which together costs \$10.

Freestay Travel was formed some 12 years ago as a promotional idea using Hotels and Motels around Australia to support our business clients in “giving something back” to their customers by way of reduced tariffs and rates on weekend breaks away when the participating establishments had some vacant rooms. This idea eventually evolved to a booklet with over 200 Motels/Hotels who were prepared to welcome new clientele with one free nights accommodation in return for payment for one night. Then some of those with restaurants were prepared to absorb the accommodation cost in return for payment for 2 meals each day. Since then many businesses around Australia have found these accommodation packages a rewarding way to increase business and customer satisfaction.

We are offering 100% Trade
