## Admin Updates

We would like to remind all E Planet Trade members that unlike "other trade exchanges" it is against our rules to cease trading without first advising your Regional Agent, or Head Office. Members who are trading with a facility amount are bound to continue trading until the facility is repaid or arrangements are made to pay the facility amount in cash.

We all know how frustrating it is to call a listed member only to be told they are not trading. Please do the right thing and advise us if you wish to be temporarily unlisted. This way your business listing can be removed from the directory and other members do not need to waste time and phone calls unnecessarily.
