**For sale - Mataranka Deluxe Spa - \$8990 – 50% Trade.**

At the moment we have an arrangement with our suppliers to upgrade the equipment on the spa at no additional cost.

The upgrade takes the pump from being a one speed 1.5 hp pump to a 2.0 hp two speed pump, which lowers your running cost. When the spa is heating and filtering through its cycles it is doing this with the pump on a low speed.

Also included is the blower which comes in a variable speed as opposed to the standard single speed. Plus you get an LED underwater light.

This upgrade is only available until our suppliers can maintain these prices, so hurry!
