## Free Empire Trade Memberships for flood affected businesses

In light of the recent devastating floods that swept across parts of Australia impacting many businesses causing loss of income, loss of stock and property, Empire Trade would like to offer businesses that have been affected membership of Empire Trade Exchange at **NO COST**.

Membership is normally \$495 and by offering **free membership** to affected businesses, we are hopeful that this will assist those businesses to rebuild and regenerate through extra sales and increased business transactions with a combination of cash and trade dollars.

If you know of businesses that have been affected by flooding and who would benefit from extra cash and trade business please pass on this email, or pass on their contact details and one of our friendly staff will call them.

Empire Trade is a network of small to medium sized businesses who buy and sell with one another using a combination of cash and trade credits.

Businesses with trade dollars will actively seek out other members accepting trade dollars to purchase goods and services. When a portion of trade dollars is spent on existing cash expenses you are effectively freeing up your cash flow and saving cash dollars.

**Extra business + Cash saved = A stronger business.**

For more information businesses can contact us on 07 5437 7220 email [hq@au.etxint.com](mailto:hq@au.etxint.com) or visit our website [www.etxint.com](http://www.etxint.com)
