How to make Empire Trade work for you!

“Right Price, Trade Component Negotiable” We believe we have the correct formula for a fair and equitable trading environment. There is nothing magical about trade – you need to put in effort to make it work for you! Remember you choose a blend of cash and trade to transact business. You decide. You are in control.

Use the available resources: Member Support Team

Your Member Support Officer is available to assist you with any information regarding our membership base and the availability of goods and services throughout our entire membership base.

Real Estate We have an associated Real Estate agency to assist you to utilise your trade dollars on property. Real Estate facilities are available to approved applicants. The friendly Real Estate staff are available to assist you with any queries you may have, when it comes to trade dollars and property.

Online Internet transactions and account information Once you login to the members area you can transfer funds online to the account of another member. Your statement of account is available to you online, including all past statements.

Member’s Directory available in hardcopy and online You will be listed in our hardcopy Australia wide and world wide online membership directory. Remember your description is the promotional message describing your business and is printed in the membership directory, you can change this at any time with your Member support officer.

Advertising Subsidy Empire Trade is happy to assist members with their advertising costs when advertising includes our logo and complies with our subsidy guidelines. The subsidy is paid in trade dollars and includes printed ads, web pages, television ads and radio ads.

Advertising Advertising is available free of charge in our Australia wide monthly hardcopy newsletter, email bulletin and regular emailed spotlights. Goods for sale can be listed on our classifieds. Our Bid n Buy auction site is another exciting way to advertise goods for sale.

Your Member support officer will have a good knowledge of the membership base, and can assist you to advertise your business, by word of mouth and advertising.

Join Hervey Bay's only SAIL WHALE WATCH vessel.

We are also the smallest in the fleet at just 10.5m in length. Most of the whales we see are 10 to 13m in length and 30 tonnes or more, that's over 5 times our weight! So when you see a whale from Blue Dolphin you really do SEE a whale!

With a small number of passengers, an unforgettable and intimate experience awaits you. Only 20 people max. Sip champagne as the sun sets over the waters of the Great Sandy Strait. Join us for pre-dinner drinks with a cheese, dip and vegetable platter. The sail lasts for 90 minutes and includes your champagne or beer (soft drinks and orange juice also available).

What a great way to wind down after a day exploring the island or an even better way to start your evening. Check out our website www.bluedolphintours.com.au
