E Banc News

Just a quick reminder to all, about other services we provide to our members. There are certain Trade exchanges from where we except their trade dollars in exchange for E Banc Trade dollars.

Q. Why do we provide this service.

A. To give our members the benefit of using the funds in a trade exchange where you get value for your dollar.

Q. What use does E Banc Trade have with Foreign Trade dollars.

A. They go to help people in other Trade exchanges, which are heavily in debt and don't receive work/sales. As a result, have to pay high monthly account keeping fee's until the debt is cleared and the account is closed.

If you are in a high credit or debit with another exchange, please call us to find out if we can assist.

Regards
