### OUR MISSION

Our Mission is to facilitate the exchange of Goods and Services in an environment of fair and equitable trading to create a feeling of well being over and above the members expectation

### OUR GUIDING PRINCIPLES

- Our prosperity parallels that of our community, locally, nationally and internationally
- Every policy decision is based upon the well being of our members
- We endeavour to create a feeling of well-being over and above the expectation of agents, staff and members
- We embrace all cultures, we judge none.
- Risk making a wrong decision quickly rather than no decision at all.
- Staff ideas are valued as we continually strive to improve the business formula
- Dare to be different - think and work faster, smarter with less
- One thing that can be promised is change - it inspires motivation
- Communication engenders trust and loyalty - ring back
- If you become emotional in a decision, pass it on to someone else.

James Hendry - Managing Director of Ebanc New Zealand and Lisa Hendry - General Manager are pleased to announce that Ebanc is now operational in New Zealand.

We have established Ebanc New Zealand's Head Office in the heart of the city in the Viaduct Harbour and are looking forward to introducing the E Banc Trade system to New Zealand Businesses.

We both feel that the country is ready for a change of attitude and direction from a trade exchange and think that Business opportunities through the E Banc Trade network are endless.

E Banc Trade is an innovative and proactive Trade exchange and we, along with our staff intend to develop the network with the MEMBERS best interest at heart.
