E Planet Trade Malaysia Membership Drive

E Planet Trade Malaysia Membership Drive (EPTMD) is targeting 100,000 new businesses and Co-Brand Partners to participate Malaysia's largest Trade Exchange. E Planet Trade's vision is to share an alternative business solution through E Planet Trade System and provide opportunities to increase market share, improve profitability and cash flow, reduce excess capacity and gain access to a receptive local and international market.

MEMBERSHIP BENEFITS

E Planet Trade (EPT) Global Membership worth AUD330.00

A worldwide membership that enables you to enjoy the full benefits of E Planet Trade and be utilised at all 10 international E Planet Trade Exchanges.

Complimentary Online Trade Credit Balance

An initial credit facility up to TRM5,000 will be made available to participating organisations.

EPT Local and International Web Directory

Co-Brand Partners' products and services will be listed in EPT's local as well as international web directory

EPT News Letters

Highlights on the company and their product and services will be circulated directly to all E Planet Trade Malaysia's members through monthly newsletters.

Product Displays

Co-Brand Partner's products and services will be displayed in SMI SME Trade Link Centre

Trade Matching

EPT's Customer service personnel will actively promote the company's product and services, as well as identify and match the company's needs for product and services.

Promotion Drive

A series of ongoing Marketing and Promotion Program partnering with prominent Co-Branding Partners, Trade Associations, Govt. Bodies and Business Organisations from various industries to add value to the series of activities that includes Training & Development Programs, Business Education & Leadership Seminars, Road-shows, Products Seminars, Trade Network Meetings, Media Advertisements, "Branded For Less" Warehouse Sales with Major Organisers, Community Events with Charity Clubs.

Trade Opportunities

By trading through E Planet Trade, members can take advantage of the trade component of the property price to leverage their way into property investment.
