Empire Trade finally established in the USA!

Well it has been years in the making but now finally Empire Trade has opened in the USA. This will be awesome for our Australian Membership base and international Members. Although the office just opened the USA Office has already got members coming on board and properties are already being sold with 30% Empire Trade Dollars.

Empire Trade USA has already signed up, Screen Printer, Floor Tile Import Export, Fine Art Supplier, Auto Restoration and Sales, Sticker Supplier, Sports DVD Producers and more.

Because of the property Market in the USA right now and the Aussie Dollar at its highest it's been in 25 years NOW is a good time to purchase in the USA. Over the coming weeks we will be emailing Property Lists all with **25 -30% Trade**.

We have Agencies in Orange County, Temecula, Inland Empire, Head Office in Palm Springs, and we have Dallas Texas coming on soon and many other areas. We also have interest in New York and Hawaii as well. We will do our best to bring on areas where you can travel to America and conserve your cash whilst on holidays or for business.

So please if you have products that you want to market to America please email the head office in Palm Springs and we will email out to the American membership on a weekly basis.

This is our first email out, hopefully in time we will have many members here to promote to the good members of Empire Trade International Exchange.

Thank You

Empire Trade Team USA.
